282 Please give details of why you consider the Central Lancashire Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible (i.e., if objecting on legal grounds then please quote the specific law that the Central Lancashire Local Plan does not conform with). If you wish to support the legal compliance or soundness of the Central Lancashire Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

South Ribble site allocations: soundness/legality/DtC:

The Apsley Farm site is not a logistically beneficial site. For a start, the fields flood regularly. It is a sight of many wildlife species including Fox, Otters, Bats, Owls & many species of birds.

The road is practically impossible to walk along due to the speed of vehicles heading from Lostock Hall towards the bypass. Many cars park on the road making it even more dangerous for walkers & cyclists.

There are no shops, doctors, dentists etc etc within a walkable distance of the site. The traffic is regularly backlogged making access from Brook Lane almost impossible at times.

Building on this site is impractical, unnecessary, and logistically baffling when there are other sites in the south Ribble area that could be considered. We are going to end up with no natural areas of countryside. In my opinion, this site should be protected against ANY future building - protect the nature & wildlife of the area.

283 Please set out the modification(s) you consider necessary to make the Central Lancashire Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified in the question above. (Please note that non-compliance with the duty to co-operate is incapable of modification at Examination). You will need to say why each modification will make the Central Lancashire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
