8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

Attending the hearings will allow Redrow to engage with policymakers, provide valuable industry insights, and advocate for sustainable and practical development approaches that support both the housing needs of local residents and responsible land use. Additionally, participating in these sessions will enable Redrow to address any concerns or proposed changes that could affect its ability to efficiently develop housing within the district.

By being part of the hearings, Redrow aims to collaborate with stakeholders to ensure fair and balanced planning decisions that benefit the local residents communities and the broader environment.

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
