South Ribble site allocations: soundness/legality/DtC:

At the local meeting at St Aidans Church Hall, a representative of SRBC stated in front of witnesses that the land off Kellet Lane had been in the local plan for development since the 1990's.

This is a falsehood, as the 1995 local plan Policy E2 map reference 1 allocated a different piece of land for commercial use.

This land has never been included in any local plan.

I suggest that this statement was made to limit the level of protest against the proposed use.

I have moved twice on Kellet Lane and not once has it appeared on a search.

283 Please set out the modification(s) you consider necessary to make the Central Lancashire Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified in the question above. (Please note that non-compliance with the duty to co-operate is incapable of modification at Examination). You will need to say why each modification will make the Central Lancashire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

South Ribble site allocations: modifications:

Removal of site profile 55 from the plan
