272 Please give details of why you consider the Central Lancashire Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible (i.e., if objecting on legal grounds then please quote the specific law that the Central Lancashire Local Plan does not conform with). If you wish to support the legal compliance or soundness of the Central Lancashire Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Chorley site allocations: soundness/legal/DtC:

- 1) The narrow part of Hill Top Lane off Chorley Old Road to a point east of the two quarry entrances is not suitable for any increase in traffic and would be a danger to all users whether vehicular, cyclist or pedestrian, with many instances of difficulty in any one period.
- 2) The above also same applies in the same measure to Birchin Lane for its length immediately off Chorley Old Road until it widens past the furthest end of St Helens Road as Birchin Lane begins to ascend.
- 3) The increased flow of traffic on an already busy Chorley Old Road will cause considerable further problems with access to houses, parking, suitable passing places and safety for pedestrians, cyclists and children.

273 Please set out the modification(s) you consider necessary to make the Central Lancashire Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified in the question above. (Please note that non-compliance with the duty to co-operate is incapable of modification at Examination). You will need to say why each modification will make the Central Lancashire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Chorley site allocations: modifications:

There are no modifications that would be suitable as the local road network is already overloaded with ease of access, lack of parking and suitable passing places on Chorley Old Road and Birchin Lane. Refer to the above.

274 Do you wish to make another representation?

No
