South Ribble site allocations: soundness/legality/DtC:

The form will not let me make separate representations which I wish to make re Longton sites HS3.19 (Marsh Lane) and HS3.3 (Chapel Lane). Please see comments below on these and the local plan.

The plan fails the test of being positively prepared as it does not demonstrate a clear strategy to meet objectively assessed needs, including housing and infrastructure. In relation to Marsh Lane site particularly, this lane is over developed with no consideration for how it is actually used (essentially a cul de sac until Pear Tree Farm). In relation to Chapel Lane, there is surely a need for another junction with the bypass rather than traffic going onto Chapel Lane directly (both ends of which have dangerous junctions already and two primary schools close by). It is not clear how access and infrastructure needs will be met on this site and how traffic will be safely managed. There is insufficient evidence that SRBC has engaged constructively with other bodies eg highways.

The plan appears predetermined rather than objectively assessed.

SRBC has not demonstrated the duty to cooperate which appears inadequately fulfilled with limited evidence of joint working Eg as mentioned above.

The plan is not consistent with national policy as it does not support sustainable development (Marsh Lane and Chapel Lane being unsuitable and unsafe for development) or align with key principles of the NPPF, such as protecting the Green Belt or promoting brownfield redevelopment.

283 Please set out the modification(s) you consider necessary to make the Central Lancashire Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified in the question above. (Please note that non-compliance with the duty to co-operate is incapable of modification at Examination). You will need to say why each modification will make the Central Lancashire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

South Ribble site allocations: modifications:

It is for SRBC to address the issues.

284 Do you wish to make another representation?

No
