2) Sound  (If you check 'No', please also confirm below which of the 'tests' it fails to meet)	<input type="checkbox"/>	<input checked="" type="checkbox"/>
a) Positively prepared	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b) Justified	<input checked="" type="checkbox"/>	<input type="checkbox"/>
c) Effective	<input type="checkbox"/>	<input checked="" type="checkbox"/>

3) Complies with the duty to co-operate	<input checked="" type="checkbox"/>	<input type="checkbox"/>

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible (e.g., if objecting on the basis of legal compliance, please quote the specific law that the Central Lancashire Local Plan does not comply with).

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

We are writing on behalf of our client, the landowner of land to the rear of 96-100 Marsh Lane to raise concerns around the soundness of the Local Plan. We support the proposed allocation of the site for residential development, but the plan is unsound due to the red edge being inaccurate.

The plan also states that the site has capacity for 5 dwellings. However based on the full extent of the land we can demonstrate a capacity for 9 dwellings. We therefore request that the red edge be amended with the location plan attached (ref: 23 1268 L01 Location Plan)

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

To make the Local Plan sound, the allocation at the rear of 96-100 Marsh Lane should be modified to accurately reflect the full extent of land under our clients ownership. By amending the boundary to match the full ownership extend, the Plan will better align with the evidence provided.

The capacity of the site should be revised from 5 dwellings to 9 dwellings. This figures more accurately reflects the achievable development. The existing capacity figure is based on an inaccurate site boundary which does not reflect the extent of the site.

A suggested wording would include the capacity for 9 dwellings, as opposed to 5 dwellings. The red edge on the policies map would also be amended to reflect the attached location plan (ref: 23 1268 L01 Location Plan)

(Continue on a separate sheet /expand box if necessary)

**Please note:** In your representation, you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

**After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues identified during the examination.**

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?
