Dear Representor,

Examination of the Central Lancashire Local Plan

I am writing to you because you have made representations concerning the Central Lancashire Local Plan published by the Local Planning Authorities under Regulation 19 of the Town and Country Planning (Local Planning) (England) Regulations 2012 (as amended).

I have been appointed as the independent Programme Officer to assist the Inspectors with all administrative aspects of the examination and my contact details are set out below. Outside of the hearing sessions which form part of the examination, the Inspectors do not have direct contact with either the Local Planning Authorities or Representors. Therefore, all communications with the Inspectors will need to take place through me.

The Secretary of State has appointed Inspectors Alison Partington BA (Hons) MA MRTPI and Anne Jordan BA (Hons) MRTPI to carry out the independent examination of the Plan. The Inspectors will determine whether it has been prepared in accordance with the relevant legal requirements and whether it is 'sound' i.e. positively prepared, justified, effective and consistent with national policy.

The Inspectors are currently appraising the Plan, the associated evidence and the representations submitted at the Regulation 19 stage, and I will be in contact again when I am able to provide further information on the examination process, including the timing of any hearing sessions. This might not be for a number of weeks.

All information concerning the examination will be made available on the examination website which can be accessed via the following link:

<https://centrallocalplan.lancashire.gov.uk/>

When you visit the examination website, you'll find several tabs along the top of the page as per the image below:

Hovering your mouse over the Submission and Examination tabs will reveal menus where you can access further examination pages and information.

It is advised that representors keep themselves informed with the examination by regularly checking the examination website. The Latest Examination News will be updated with major examination updates and can be accessed through the following link:

Documents will be added to the Post Submission Documents section of the Examination Documents page throughout the examination. These documents can be viewed directly [here](#).

At the top of this email, you'll find the details I hold relating to your Regulation 19 representation(s). If any of this information is incorrect, please let me know so I can update my records.

If your contact details change, please ensure that you inform me directly of these changes in order to receive correspondence, as directed by the Inspectors, throughout the examination.

I am your point of contact throughout the examination process, and if you have any queries, please do not hesitate to contact me. However, if you would prefer not to receive any further information on the examination, please let me know and I will remove your details from the notification list.

Yours faithfully,

Kerry Trueman
