

Action Point 48 – HS3.15 - Check the site boundary of the site in SHELAA and policies map

HS3.15

The site boundary shown is correct, however the map base used is out of date. The old school building was demolished a number of years ago, and replaced with a new building to the south of the site. The allocation boundary covers the location of the old building, the area is now fenced off and not in use by the school. A revised map is attached.
