Dear Inspectors Mrs Jordan and Mrs Partington,

Re: Examination of the Central Lancashire Local Plan 2023 - 2041 Central Lancashire Councils Response to Post Hearing Advice – Further Work and Related Matters

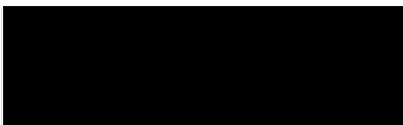

Thank you for your letter 4th March 2026, setting out your post hearing advice and further work & related matters for the Central Lancashire Local Plan (CLLP).

The three Councils welcome the opportunity to prepare the additional evidence to give you the assurance that the CLLP is a sound plan and thereafter enable progress to adoption, and we remain committed to maintaining a plan-led approach.

The Councils acknowledge the measures set out in the letter, many of which are already significantly progressed since the close of the hearings, and will provide the evidence necessary to demonstrate that each council is able to demonstrate a five-year housing land supply.

The Councils hereby confirm we want to proceed with the Plan on the basis outlined in your letter and we will be able to provide a realistic timescale and project plan for undertaking the work outlined by no later than Wednesday 8th April 2026.

Yours Sincerely

Gayle Wootton

Director of Property and Planning Chorley and South Ribble Councils

Chris Hayward

Director of Housing and Development, Preston City Council
