What needs to happen with Local Plan?

- Need for an accompanying Social Value Framework which:
 1. Identifies outcomes
 - Employment and Skills
 - Raising Living Standards
 - Build Capacity of Voluntary and Community Sector
 - Promote Equity and Fairness
 - Promote Environmental Sustainability

What needs to happen with Local Plan?

2. Identifies activities which Developers can contribute towards
 - Apprenticeship creation
 - Use of recycled materials
3. Identifies questions which can be asked during application stage
4. Identified ways in which delivery can be brokered and monitored
